

THE FACE OF  
RELEVANT DESIGN

**JMDG Architecture | Planning + Interiors** is an architecture practice located in downtown Naples, Florida, led by **Thomas Jones, AIA, LEED AP**, director of design and **Robert Mongillo**, director of operations. The firm provides a comprehensive range of professional services facilitated by residential, commercial and interior design studios. JMDG has a local, regional and national client base. The firm is distinguished by its ability to combine creative design and technical acumen to successfully realize projects of diverse types and sizes. JMDG believes good design is achieved through an intelligent process that produces site-specific, culturally relevant, socially responsible and environmentally sustainable projects.
